Password Access for Registered Students:
----------------------------------------

Passwords are required to access streaming audio-video lecture presentations this week.

Registered Harvard students of Environmental Management are authorized to view the materials during the current semester. After selecting the appropriate video link, a popup window will prompt you to enter a user name and password.

For USER NAME, enter your Harvard University ID (HUID) number. It is typically an 8-digit number that begins with '00'. This number was assigned to you by the Registrar and appears on your registration confirmation. All students should have received this information by mail.

For PASSWORD, enter your last name (all lowercase letters). Only eight (8) characters are allowed, so if your name is longer (i.e. Washington), use only the first 8 letters (washingt).

If you have not received, or cannot locate, your HUID immediately contact the Registrar's office.
